Gastroenterology

Consultation and Referral Information

Our team provides a variety of services to patients from birth through 22 years of age. The following are some of the common conditions we treat: constipation, diarrhea, eosinophilic disorders, gastroesophageal reflux, inflammatory bowel disease, liver, gall bladder and pancreatic disorders, peptic ulcer disease, recurrent abdominal pain, and nutritional disorders. Common services we provide include the following: breath hydrogen analysis, continuous esophageal pH monitoring (both catheter and wireless) and impendence monitoring, endoscopic evaluation of the upper and lower intestinal tracts, liver biopsy, polyp and foreign body removal, sclerotherapy/ banding/ cauterization, pill cam, and motility testing.

Meet Our Team of Specialists and Get Directions to Our Offices

WHAT	work-up is needed prior to an appointment?	No prior work-up is needed, however, please fax the results from any relevant prior tests to us, along with office notes and growth charts, that are not accessible through CHKD's EHR to (757) 668-7721.
WHEN	will my patient be able to obtain an appointment?	Your patient's estimated wait time for an appointment is approximately 1 week or less, but could vary depending on location.
WHERE	will my patient be seen?	Gastroenterology offices are located at CHKD (Norfolk), Harbour View (Suffolk), Oakbrooke (Chesapeake), Oyster Point (Newport News) and Princess Anne (Virginia Beach).
HOW	can I refer my patient to the Gastroenterology Practice?	Urgent Consultations (Providers): (757) 668-9999 (Doctor's Direct) Non-Urgent Referrals (Providers): (757) 668-7240 Scheduling (Families): (757) 668-7240
