

Hematology and Oncology

Consultation and Referral Information

Our team provides a wide range of diagnostic, therapeutic and comprehensive care services for patients with blood disorders or malignancies. Our patients range in age from birth through 26 years old for some diagnoses. The most common issues we see include the following: cancer, anemia, sickle cell disease, thromboses, bleeding disorders, thrombocytopenia, white blood cell disorders, and immunodeficiencies.

<p>WHAT</p>	<p>work-up is needed prior to an appointment?</p>	<p>The pre-referral work-up includes any abnormal blood test results that are not available in CHKD's EHR.</p>
<p>WHEN</p>	<p>will my patient be able to obtain an appointment?</p>	<p>Your patient's estimated wait time for an appointment is approximately 1 week, but could vary depending on location.</p>
<p>WHERE</p>	<p>will my patient be seen?</p>	<p>Hematology/Oncology offices are located at CHKD (Norfolk) and Oyster Point* (Newport News). <i>*Limited appointment availability.</i></p>
<p>HOW</p>	<p>can I refer my patient to the Hematology/Oncology Clinic?</p>	<p>One of our physicians review each referral daily to determine the appropriate doctor/clinic in which the patient needs to be scheduled. Our office then contacts the patient directly to schedule an appointment that is both timely and convenient for them. After an appointment is made, the referring provider will be notified.</p> <p>Urgent Consultations (Providers): (757) 668-9999 (Doctor's Direct) Non-Urgent Referrals (Providers): (757) 668-7185 Fax (Providers): (757) 668-7811 Scheduling (Families): (757) 668-7185</p>
